The screenshot shows the top of the IdentityTheft.gov website. It features the FTC logo and name, a 'Log In' button, and a language selector for 'En Español'. The main content area has a background image of a laptop. A white box contains the text 'Report identity theft and get a recovery plan' with a 'Get Started' button. Below this is a link to 'browse recovery steps'. A section titled 'HERE'S HOW IT WORKS:' follows, with three steps: 1. 'Tell us what happened.' (represented by a question mark icon), 2. 'Get a recovery plan.' (represented by a 'TO DO:' list icon), and 3. 'Put your plan into action.' (represented by an envelope and 'TO DO:' list icon). Each step has a brief description of what the user can expect. At the bottom of the screenshot, there is a link: 'Get started now. Or you can browse a complete list of possible recovery steps.'

YOU CAN:

- get a free personal recovery plan that walks you through each step
- update your plan and track your progress
- print pre-filled letters & forms
